DRAFT ANSWER TO PAR 13

AUDIT REPORT

25X1A6a

31 October 1956

With regard to paragraph 13 of the Audit Report, Headquarters concurs in the auditor's opinion that firemen's salaries and garbage collection fees are reasonable expenses and, accordingly, should be assumed by the Agency under the provisions of the Real Estate and Construction Regulations. Paragraph 5c FR-45-1000, one of the paragraphs cited by the auditor, contains the necessary authority. (Both are operating expenses) Headquarters is well aware that certain provisions of FR 45-1050, the regulation applying specifically to organization quarters, appears to conflict with provisions of FR 45-1000, the general regulation and procedures have been designed to eliminate these conflicts are ambiguities. Until such procedures have been accomplished, Headquarters would have the Field comply with FR 45-1000, rather than FR 45-1050, when conflicts arise.

Above draft turn over to [REDACTED] EE/Log on 8 March 1957.
